LEAN JOURNEY: MILBANK MANUFACTURING PLANT TOUR

Kansas City Manufacturers Network and Milbank Manufacturing will be hosting a plant tour and discussion of Milbank's transformation to a lean enterprise

Registration is limited to the first 35 participants, so register early! Deadline for registrations is Friday, March 14.

Tuesday, April 8 9:00 AM

Milbank Manufacturing

4801 Deramus Avenue

Kansas City, MO 64120

Milbank manufactures: Residential & Commercial Meter Sockets and Pedestals, R.V. / Mobile Home Power Outlets, Pedestals, & Transformers, Commercial & Industrial Electrical Enclosures and Accessories, Disconnects and Safety Switches and Circuit Breakers

Milbank Manufacturing was founded in 1927 when Charles A. Milbank began manufacturing high voltage switches. The company moved to its current location in 1970 and has expanded by producing N.E.M.A.-type electrical enclosures and through the purchase of Unicorn Electrical Products in 1994. Milbank is still family owned by the third generation Waldrop Family, and in 2007, Milbank celebrated 80 years in the electrical distribution industry. For more information visit: www.milbankmfg.com
