

Presents:

LEAN JOURNEY: HOLLAND 1916 PLANT TOUR

Kansas City Manufacturing Network and Holland 1916, Inc. will be hosting a plant tour and discussion of Lean Manufacturing best practices.

Registration is limited to the first 35 participants, Members are encouraged to register early.

Tuesday, April 14 9:00 AM

Holland 1916, Inc.

1340 Burlington St

Kansas City, MO 64116

Founded in 1916, Holland 1916 Inc. provides its customer with industrial nameplates, panels, enclosures, labels, overlays, membrane switches, touchscreens and metal RFID tags. Holland does not manufacture all of the products that it sells. Holland concentrates its manufacturing efforts on metal goods and sources its non-metal product offering to strategic suppliers in the US and China.

Holland began its lean journey in 2002. The benefits have been significant in terms of cycle time improvement, cost reduction, simplification of operations, increased profitability and improved employee satisfaction. For more information visit: <http://www.holland1916.com>

Tour Agenda

9:00	Arrival, coffee and bagels
9:15 - 9:45	Presentation on Lean Journey
9:45 - 10:15	Plant Tour
