*Brunson Instrument Company*

*8000 E. 23rd Street Kansas City, MO 64129*

Brunson Instrument Company ([www.brunson.us](http://www.brunson.us)) has been producing measurement solutions since 1927, and is still owned and operated by contemporaries and family members of the founder, A.N. Brunson. The company has developed a factory and staff specializing in high-precision manufacturing, including:

- \* A standard product line of stands, targets, and calibration products to support the myriad of 3-D metrology instruments available today
- \* Private-label manufacturing for other metrology companies
- \* Custom products (as requested) for the metrology market
- \* A standard product line of Optical Tooling (alignment) products and accessories.

Brunson was recently awarded the Missouri impact! Award for Continuous Improvement in Manufacturing Excellence from Missouri Enterprise.
